

1st Annual Olathe West High School Car Show Benefiting the Andrew Caraway Scholarship Fund

On March 9th, of this year, the Olathe West High School tragically lost a student. Andrew Caraway, a Sophomore student at Olathe West and also a member of the Public Safety Academy, tragically passed away due to an unexpected seizure that took place during the evening hours. Andrew was an active member of the Olathe West Public Safety Academy and he had all of the qualities of a future first responder. There are many attributes that Andrew displayed on a daily basis while serving others within his community and the academy. A term often used to describe Andrew's natural character was "Self-Less." On his final day, he exhibited this quality by donating blood during our school blood drive and participating in the set-up and clean-up of the Johnson County Sheriff's Office Awards Ceremony later that evening. Andrew lived as a true servant to others and his faith.

Although Andrew is no longer physically with us, his legacy to serve others will continue to be an intricate part of us here at the Olathe West Public Safety Academy. The Public Safety Academy has created an educational scholarship fund in honor of Andrew and his family. *The Andrew Caraway Scholarship Fund* will assist Andrew's current and future academy brothers and sisters as they move on with their post-secondary education. On Saturday, May 5th, Jesse Martin and the Olathe West Public Safety Academy will hold the 1st Annual Olathe West Car Show to "Jump Start" the fundraising for the scholarship. Any proceeds from this event will be directly donated to the scholarship fund and eventually used to help graduating Seniors from the Olathe West Public Safety Academy with reimbursement of their continued post-secondary education expenses.

Event Details
