

# 2017 GARMIN MARATHON MUNCHKIN MARATHON & FAMILY RUN

GARMIN<sup>®</sup>  
**MARATHON**  
IN THE LAND OF OZ  
OLATHE, KS

**The Olathe Chamber of Commerce is hosting the 2017 Garmin Marathon Munchkin Marathon & Family Run Saturday, April 22!**

## **How It Works**

Visit [www.ozrun.org](http://www.ozrun.org) to register your Kindergarten - 8th grade runners to compete in their own mini-marathon for FREE. Kids will "train" by logging 25 miles of walking or running independently in the months leading up to the race, then run the final 1.2 miles, on race day, April 22. Each registered Munchkin receives a race number, t-shirt, goodie bag and a medal. Make it a family event! Adults can register for free (minus the swag) and run with their children if they'd like.

## **Free Training Program**

Register now and take full advantage of the training program. Local fitness centers will be open free-of-charge to all registered participants on Sundays between 10:00 a.m. - 5:00 p.m. Check the [www.ozrun.org](http://www.ozrun.org) website for a list of locations participating. Help promote this event to local running clubs, teams or schools so everyone can participate together. Wear your School Running Club or Team Sports Jersey as a group at the race!

## **Start Logging Those Miles!**

Download the mileage tracking sheet from [www.ozrun.org](http://www.ozrun.org) to track distance and color in each Yellow Brick!
