Diane McLean, MEd, PCC provides life coaching services to children, adolescents and adults in the area of executive functioning skills. In addition to her expertise in executive functioning skills, she has had extensive training in life coaching, social cognition, and conditions such as ADHD/ADD, anxiety, and Autism Spectrum disorders. Diane received her B.S. in Education from the University of Texas and her M.Ed. in Counseling and Student Services from the University of North Texas. A Professional Certified Coach through the International Coach Federation, Diane is also graduate of the ADD Coach Academy and a certified ADHD and Life Coach. Diane and her family currently reside in Overland Park, Kansas.

Please call Michael McGuire at 913-780-7014 should there be a need for interpretation services.

A committee of school staff and community partners have identified the most common dilemmas students and parents face. This quarterly speaker and support series aims to educate the Olathe Public School community, share connections to resources/agencies, and provide a forum for parents to create a network of support.
