WHY WE FIGHT FOR FLORENCE

Florence, alongside all children with special needs, deserve the opportunity to be the best version of themselves that they can be. With your support & donations, this community of children is able to discover their world, and a new set of strengths/abilities, which otherwise may never be realized due to monetary constraints. It's up to us to support and fight for these kids, of which, many live everyday with a grave prognosis from the medical community without allowing the opportunity or chance to show the "never give up" in all of them. Come support those with special needs and **Join The Fight.**
