

ONW Engineering Academy

EXPLORING ENGINEERING CAMP

Join us for a great week filled with NEW hands-on science and engineering at Olathe Northwest. Challenges provide campers with exposure to fields of engineering such as civil, structural, chemical, and mechanical. Each camper will receive a t-shirt and daily snacks.

DISCOVERING ROBOTICS CAMP

In Discovering Robotics, campers will apply brainstorming, building, programming, and teamwork skills. Through NEW hands-on experiences, students use the LEGO MINDSTORMS robots to solve a variety of missions. Each camper will receive a t-shirt and daily snacks.

MIDDLE SCHOOL WEEK

June 4th - 7th (Completed Grades 5th-8th)

Morning Session 8AM - 12PM
Afternoon Session 1PM - 5PM

ELEMENTARY SCHOOL WEEK

June 11th - 14th (Completed Grades 2nd - 5th)

Morning Session 8AM - 12PM
Afternoon Session 1PM - 5PM

*5th Graders can choose either week; Middle School Week will be more advanced.

COST: \$130 Per Camp

Sign up for both Explore Engineering and Discovering Robotics for \$240 and save \$20!

Remember, space is limited, so sign up online soon.
Deadline for Registration is May 15

HOW TO REGISTER

Sign up for a time slot online
