

# THOSE LEFT BEHIND

Supporting Teen Survivors of Suicide

“The most painful  
*goodbyes* are the  
ones that are  
never said & never  
explained.”

A support group to help connect **high school & college age survivors** left behind after the loss of a family member to suicide. We will discuss:

- How to deal with the aftermath of suicide by a family member
- Education of peers about the effects of suicide and how to respond
- Peer support

This secular based support group will be facilitated by licensed mental health therapists. Parental permission to participate will be required if under the age of 18. Forms can be found at [HeatherBedell.com](http://HeatherBedell.com) or contact Sylvia Harrell at [sylharrell@me.com](mailto:sylharrell@me.com) or 913-424-9272.
