

PRE-BLAZERS SWIMMING PROGRAM

Registration Is Open!

Is your child interested in swimming, but not sure about joining a competitive team? The Kansas City Blazer Pre-Competitive Program is geared toward getting young swimmers ready to be a part of the year-round competitive swimming world. Our practices focus on learning the four competitive strokes and being able to swim them properly. Swimmers also gain knowledge in basic training techniques, turns, starts, and other competitive aspects of swimming. At the end of the session, swimmers are encouraged to complete a swimming evaluation for advancement into our Competitive Training Groups.

For further information or to register now please go to:

[KCB Pre-Blazer Information & Registration](#)

The Kansas City Blazers Swim Club has over 40+ years of swimming history in the metro area and have the longest tradition of swimming excellence in the Midwest.
