## Olathe North Student Parking

---

Students: Currently there are no parking spaces available for purchase and we are working from the waiting list to fill needs as spaces open.

If you have a parking spot you no longer need, please turn it back in to Mrs. Wellman and not give it to someone else, so it can be reassigned to someone on the waiting list.

Please contact Vivian Wellman at 913-780-7140 if you have any questions about parking.

Thank you!
