

Olathe's Virtual Program

Quality Online Courses Taught by Olathe Teachers

Is Summer eAcademy for You?

- ◆ Planning with your counselor verifies that you need additional credits because of scheduling conflicts and you are a strong, independent, self-directed learner.
- ◆ You have a home computer (not an iPad) with Internet access available to you daily and you will be home most of the summer without extended absences.
- ◆ You have time to spend two hours a day online for your course for the eight-week session.
- ◆ You are self-motivated and able to manage your time wisely.
- ◆ You have transportation to attend a startup meeting at Olathe Northwest and to take finals at the Instructional Resource Center.

Steps to Enroll:

1. See your High School counselor about your four-year plan and taking eAcademy courses. Their signature on the registration form is their required approval for you to take online courses.
2. Bring the *signed* registration form with you on Thursday May 18 (or May 25) between 3:30 pm – 7:00 pm and pay fees in person.
 - *Students must attend registration.*
 - *Students will not be allowed to enroll without the required signatures.*
3. Attend the **REQUIRED** startup meeting at 1:00 PM on Monday June 5 at Olathe Northwest High School. Pick up texts and meet instructors there.

Required Start Up Meeting

Monday, June 5 at 1:00 PM

Auditorium
Olathe Northwest High School
21300 College Boulevard
Olathe, Kansas 66061

913-780-7150 - ONW

Enter ONW through the Events En-

At the required startup meeting (parents/guardians are encouraged to attend!) you will:

- ◆ meet the eAcademy Facilitator
- ◆ meet your instructor
- ◆ complete any missing paperwork
- ◆ learn program expectations
- ◆ review your network login and eAcademy email requirements
- ◆ pick up your texts and other materials
- ◆ learn about face-to-face final exams in the eAcademy lab
- ◆ learn that you are to return all materials to the eAcademy lab when you come to take your final

Plan to spend 1 hour or more at orientation. PE students need to plan for 2-3 hours total as they will attend the Heart Monitor training after the main meeting.

All course instructors will be on site to talk to you and answer questions.

General Expectations

All course restrictions contained in the district Program Planning Guide also apply to eAcademy.

Each student, with a parent/guardian, is required to complete an online virtual education orientation session in order to be eligible for online learning. Students who fail to complete this requirement will be dropped from their course with no refund.

Students are admitted to eAcademy on a probationary basis. The Probationary Review date is Monday, June 19. Any student with a failing grade or insufficient progress at that time will have the option to drop from eAcademy with no grade recorded and no fee refund.

Summer eAcademy course instruction is delivered through the Olathe District's Moodle course management website, or through Edgenuity (Health only).

Course content may include print and/or online textbooks, DVDs, CDs, free software downloads, etc. Assignments must be formatted to Microsoft Office file types.

Students are responsible for keeping backups of all assignments and for verifying that all assignments submitted correctly.

Students should expect to spend 2 hours per day online.

The use of school Google email accounts is required and students are required to check their student email daily.

All courses have due dates that must be followed to be successful in the course. Late penalties apply.

Students with scheduled absences are expected to work

About Moodle and Edgenuity

<http://opsmoodle.olatheschools.com>

Health is delivered via Edgenuity. All other courses are delivered via Moodle.

Moodle and **Edgenuity** are effective web-based (online) course management systems used for the delivery of instructional content. Both sites are password protected. Students must log in to give their parents access to the online gradebook. Both are available anywhere you have Internet access so summer travel plans might not have to be altered!

Moodle uses your district login and Edgenuity requires a specially
