

Dear Jason Herman,

On behalf of the NFL, I would like to congratulate Olathe North High School and welcome you to the **Super Bowl High School Honor Roll** community celebrating schools that have contributed to Super Bowl history.

The Super Bowl High School Honor Roll platform honors the high schools and communities that have positively impacted the game of football. To date, nearly 3,000 players and head coaches, and more than 2,000 high schools, have been recognized..

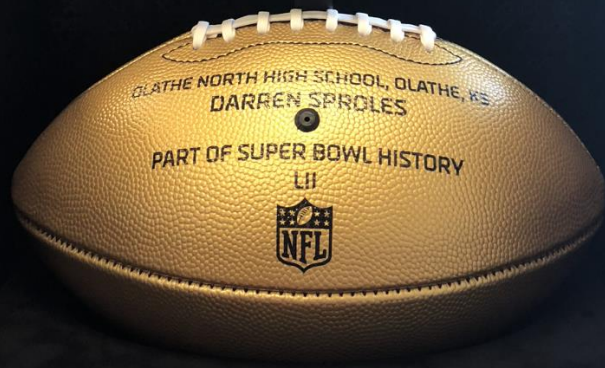

High schools across the country and globe received a commemorative Golden Football produced by Wilson for every player or head coach who graduated from the high school and was on a Super Bowl Team. Players and coaches honored are from both teams that competed in the Super Bowl. Given that Darren Sproles graduated from Olathe North High School, we are proud to induct your high school into the Super Bowl High School Honor Roll.

Honored schools, including Olathe North High School will receive a NFL Character Education Curriculum and be eligible to apply for grants from the NFL Foundation to help support and grow their high school football programs. We encourage you to apply for the grant at <http://www.nflfoundation.org/applications/programs/view/SBHS> with the password **SBLII**

We are very excited to celebrate Olathe North High School. We look forward to working with you to bring this initiative to life.

Regards,
