KCFC

2021 CHEERLEADING

The Cheerleading Programs of KCFC are offered to youth in Kindergarten through 8th grade. Squads are formed by high school area and cheer for fall football teams. Our summer camps allow cheerleaders to practice prior to the season. Games are played in September and run until late October. The earlier you register, the more fundraising opportunities are available.

For more information, visit our website www.kcfootballcheer.org!
